TRAINING ROOM REFURBISHMENT

Our training room is getting a much-needed facelift thanks to grants from the Queensland government's Gambling Community Benefit Fund and assistance from Steven Ciobo and the federal government's Stronger Communities Programme. This will be completed for the start of the 2018/19 patrol season and will provide us with a designated training room with modern facilities.

MASTERS CORNER

With Aussies and Perth only a distant memory, the new season has basically started.

A number of the Masters team recently competed in the Qld Pool Rescue Championships and contributed to BMD Northcliffe winning the overall pointscore – a tremendous effort! Thanks to Stephen Fry, Gavin Hill, Roger Belmar, Andrew Moore, John Harland, Hiro Uraguchi, Wakana Yoshida, Richard Bedford, Kevin Blair, Melinda Jackson and Kristyl Smith for competing and gaining points for the club.

Special mention to Fossil and Kristyl who both broke world records in the 50m mankin carry (unofficially). Also well done to Richard who competed and didn't injure himself!

Talking world records, the World Championships are just round the corner in Adelaide in late November, early December. A few Masters competitors are venturing down to the flat water of Glenelg so please let Wally know if you wish to be entered in any events.

Bruce's board sessions will also start up soon – apparently the surf is too flat at present.

As always, please encourage a friend to come along and join the group – our numbers continue to build which is great to see.

Please remember to sign up to the BMD Northcliffe Masters Facebook page which will have information on carnivals, teams, programs and social gatherings from time to time.

Cheers
Moorey

BREAKA YOUTH EXCELLENCE PROGRAM

On the 6-8th of July, I was selected to attend the Breaka Youth Excellence Program at Lake Moogerah, with five other club members. The camp was an amazing opportunity and I wanted to thank you for paying for the participation. I had a fantastic time.

On the camp, we had the chance to build our teamwork and leadership skills through many different activities. We had guest speakers, a team point score challenge, a lifesaving race, and a heated dance-off. We also learnt about the many different pathways through surf lifesaving and how we can contribute to our club in different ways.

The weekend was so much fun and was a valuable experience. I made so many new friends from all over Qld - some from clubs I haven't even heard of before!

It was also fantastic to be able to take home an embroidered hoodie, a backpack and a finger-painted bucket hat and team shirt. The giveaways were awesome - after doing a mannequin resus practice I scored 100% on my first attempt and won a UE Boom speaker!

Thank you so much for giving me the opportunity to attend this camp. I look forward to using some of the skills I learnt next season and in the future, especially as a new age manager. I also hope that I have the opportunity to attend the camp again, as well as others in the future.
