LIFE SAVING & EDUCATION

PATROL SEASON

The "Off Season" is disappearing quickly and the first day of the 2019/20 Patrolling Season is Saturday 21st September. The team in the Lifesaving Office are busy finalising patrol teams and the roster and will have them distributed in the next few weeks.

PROFICIENCY/SKILLS MAINTENANCE

Please see below the dates for our practical Proficiencies/Skills Maintenance. Please lock one of these dates in as all award members need to attend proficiency annually to be able to train, compete and/or patrol. If you are not able to attend any of the sessions below, please contact Caroline or Mackenzie at the club for assistance.

- Sunday 25th August 8am (All tasks)
- Saturday 28th September 8am (All tasks)
- Sunday 20th October 8am (All tasks)
- Saturday 30th November 8am (All tasks)

The 2019/2020 Season Skills Maintenance Bulletin and Theory Paper is now available online, all members have been emailed a unique link to access this. Please ensure this is completed prior to attendance at a practical session. If you are not able to utilise the online option please contact the office for a paper version.

MASTERS CORNER

Although Aussies seems like a distant memory, the new season seems to be well underway.

A number of the Masters team recently competed in the QLD Pool Rescue Championships and contributed to BMD Northcliffe winning the overall pointscore – a great effort! There were many gold medals and podiums from the team - thanks to all who competed and gaining points for the club. The pool team now turns their attention to the Australian Titles which is on the Goldy this year - good luck team!

Although still “officially” off season, some things do not change:

Rusty, Cam and Nico are still on the river paddling every Saturday;
Scotty and Tiarne are doing the Cooly Gold again (apparently);
Gav has just completed another Molokai crossing;
The “Bored Members” are still meeting regularly - losing boards and drinking coffee;
Lee Lee is procrastinating about going ski training; and
Richard is still injured.

In all seriousness, Richard has had a bad run of injuries and illness in the past few weeks including a hospital stint - get well soon!

Also for noting are some significant surf sport changes which will come into effect from 1 October 2019 for Masters:

- Addition of a 75 plus age group
- Board relay, Ski Relay & Taplin Relay, the second competitor in each team will not be required to run in the event

This means that Rusty, Richard and Big Al will be able to compete until they are 80 and Doug, Bruce and other folks with dodgy knees will be even more lethal in relay events!

Also please note the skills maintenance proficiency dates 25 August, 28 September, 20 October and 30 November - contact the lifesaving office for more information.

A friendly reminder to all Masters to encourage a friend to come along and join the group - we are always looking for more competitors. Some confirmed new starters for the 2020 Aussies include Shannon, Kev, Trent and Thorpie just to name a few! Watch this space!

We have a new masters facebook page after the previous one went rogue! Please sign up to the [“BMD Northcliffe Masters Official”](#) ([click here](#)) page which will have information on carnivals and social gatherings from time to time.

Cheers!
Moorey

Masters Team Manager
