G:

WORKING OUT YOUR TRIP

Select the station you're travelling from in the vertical list and trace along that row until you come across the column of the station you're travelling to. The cell where they meet is the time (in minutes) it will take to travel between these stations.

The grid also tells you the zones that you will travel in as part of your journey.

| | | ZONE 13 | | | | | | | | ZONE 14 | | | | | | | |
|---------|------------------------|---------------------|---------------------|--------------|---------------|-----------|-----------------|----------------------|------------|------------------------|----------------|---------------|------------------|-------------|-----------------|------------------|------------------|
| | | University Hospital | Griffith University | Queen Street | Nerang Street | Southport | Southport South | Broadwater Parklands | Main Beach | Surfers Paradise North | Cypress Avenue | Cavill Avenue | Surfers Paradise | Northcliffe | Florida Gardens | Broadbeach North | Broadbeach South |

HOW TO RIDE

1. Find where you want to go

Make sure you go to the correct platform (northbound/southbound)

2. Buy and validate your ticket

Check out the back page to see the tickets that can be used on board the G: Remember to 'touch on' with your Gold Coast *go explore* card or *go* card before boarding the tram.

3. Get on board

Push the lit button on the door. Let passengers exit the tram before you get on, and hold on at all times while on board the G:

4. Exit the tram

Make sure that you are prepared and ready to exit the tram as you pull into the station, to allow time for the other passengers to board. Push the lit button to open the doors.

5. Leave the station

Remember to 'touch off' with your Gold Coast *go explore* card or *go* card before leaving the station.

Yellow cells means your journey commences in zone 13 and also ends in zone 13. This is a one zone fare.

Black cells means your journey commences in zone 14 and also ends in zone 14. This is a one zone fare.

White cells means your journey commences in zone 13 and ends in zone 14. This is a two zone fare.

Green cells means your journey commences in zone 14 and ends in zone 13. This is a two zone fare.

TICKETS

These tickets can be used across all of TransLink's integrated public transport network including buses, trains, ferries, as well as the G:link trams.

Gold Coast go explore card

go card

Paper Tickets

This ticket is great for tourists travelling on the Gold Coast. It allows unlimited one day travel on all TransLink bus and tram (G:link) services on the Gold Coast. You can travel to the airport, theme parks, shopping destinations and lots of attractions.

go card allows you to travel seamlessly on any TransLink bus, train, ferry and G:link tram and is up to 30% cheaper than a single paper ticket. Simply top up, touch on and touch off. go cards automatically calculate the best available fare, including any transfers, discounts and savings.

Single paper tickets are valid for one-way journeys only and can be used on any service within two hours. Single paper tickets are available on board buses and from fare machines.

Call G:link on 1800 064 928 for info about working near the light rail, lost property or to report something to us about our service, or you can visit us at RideTheG.com.au.

Call TransLink on 13 12 30 for info on fares, ticketing and retailers, journey planning and general public transport info, or visit translink.com.au.
