## AN OUTSTANDING RESULT

The club would like to recognize the efforts of a group of our patrolling members who came to the aid of a local man, who is a member of our Supporters club, on Sunday 25<sup>th</sup> October. The gentleman was noticed by two of our Nipper Dads who saw him collapse only 10m from the patrol van. They alerted the patrol on duty and they quickly went to work assessing the man and making the decision to begin CPR. The AED (automated external defibrillator) was introduced and a shock was administered. This was followed by a number of chest compressions and then the man began to show signs of life. Paramedics arrived and he was transported to hospital and underwent heart bypass surgery. He is now recovering with family.

Without a doubt the following members saved this man's life: Graham Adams, Sheldon Alcantara, Scott Bradford and David Bryant. They were also assisted by Andrew Moore on radio to Surfcom and the two "nipper dads", Matt Gunn and Nick Tate.

The club recognizes how vital AED's are and has four available for use at various locations at the club.

**PROFICIENCY / SKILLS MAINTENANCE**

Please see below the final date for our practical Proficiency/Skills Maintenance for this season. Please keep in mind that all award members need to attend proficiency annually (before 31/12/20) to be able to train, compete and/or patrol. If you are not able to attend this session please contact Caroline or Christie at the club for assistance.

**Saturday 28<sup>th</sup> November 8am (All tasks)**

The 2020/2021 Season Skills Maintenance Theory is available online, all members have been emailed information on how to access this. Please ensure this is completed prior to attendance at a practical session.

**OUR NEW IRB**

We recently took delivery of our brand new Thundercat Generation III IRB. This was funded with a grant under the Federal governments "Stronger Communities Program" and the support of our federal member for Moncrieff, Angie Bell. We have named this boat "The Scott Bradford". Scott has significantly contributed to the Northcliffe Surf Life Saving Club for over 30 years, as an active volunteer patrolling member, a Patrol Captain since 1996, Club Captain for 5 years, an honorary Director on numerous committees, a major Sponsor for more than twenty years, and also as a Life Member since 2006.

**UPCOMING COURSES**

Don't forget to check out the course calendar on our website to see all the courses we have on offer. They are all free to active patrolling members.

**SLSQ LIFE MEMBERSHIP**

Congratulations to Melinda Jackson who was awarded Life Membership of SLSQ at their recent Annual General Meeting.

Melinda Jackson has been a member of Ellis Beach SLSC since 1981 and more recently Kurrawa SLSC and Northcliffe SLSC. She has contributed to all aspects of the organisation from surf sports to junior activities and lifesaving.

**Congratulations Mel!**

**NUTRI-GRAIN SERIES TRIAL**

Good luck to our members competing in the Kellogg's Nutri-Grain Series Trial at Kingscliff this weekend! We already have 7 athletes qualified for the series, it would be great to add a few more!

**MASTERS CORNER**

Good news - competition is back! BMD Northcliffe had a small crew head to the Southport Masters carnival last weekend! Congrats to all that competed.

Dates have also been set for both States (Friday 26 March) and Aussies (Sunday/Monday 18-19 April Maroochydore) in 2021 which are main the competition goals for most of the competitive team. Unfortunately the Brunswick masters won't go ahead this season but they have advised that Urungra SLSC is running a similar event that you can just enter on the day, Saturday 9th January, 2021 -\$10 to enter. (Obviously a little further to travel)

The Masters boat crew are also firing up and have recently attended the Mermaid Beach carnival where they placed 3<sup>rd</sup> after 4 rounds of competition - Sinbad Skeeter is firing his team up for the season ahead!

Coach Kolkka is giving coaching instructions from the beach at present after recent shoulder surgery - look out when he gets back on the water.

Also great to see many masters undertaking their proficiency recently - please note you last chance is Saturday 28 November.

A friendly reminder to all Masters to encourage a friend to come along and join the group - we are always looking for more competitors especially in our younger age groups - Fossil and Nicho cannot compete forever! Please sign them up to the "BMD Northcliffe Masters Official" page which will have information on carnivals and social gatherings from time to time.

**Cheers  
Moorey**
